We Are Brightsun

Active since 2006, we at Brightsun are committed to providing the finest quality metal machining and fabrication services in the United Arab Emirates.

We are an ISO 9001:2015 certified engineering workshop which specialises in conventional as well as CNC machining, metal fabrication, and profile cutting. Hydraulic hose fittings, custom machined products, waterjet profiles, heavy duty pipe/hose clamps and welded profiles are among our specialties.
